Primary Transition Sessions @ Glossopdale School & Sixth Form

Dear Parent/ Carers,

Your child is invited to join us in taking part in one of the 4 group transition sessions in the summer term at Glossopdale School & Sixth Form.

The sessions are based around Sports' Leadership and understanding Glossopdale School and Sixth Form's vision and values, the sessions will be run by our Manchester United Foundation Sports Leaders to inspire students to best prepare themselves for life at secondary school. The sessions will take the form of active sporting activities and some group work around self-discipline, aspiration and resilience.

If you would like your child to take part, please select a suitable date from the selections on the next page. Simply complete the sign up/ consent form via the link or QR code for your selected dates.

For each session participants must wear suitable footwear for sport and suitable clothing for all eventualities of weather as parts of the session take place outdoors. Participants must also bring with them a drink as the sessions will be active.

Please be aware that photos/filming may be taking place for publication in the school newsletter and by Manchester United Foundation. Please indicate your consent to the taking of photographs and filming by reading 'media activities' box on the consent MUF form.

Yours sincerely,

Daniel Millen
